

## What Your Donation Can Do!

### **\$500.00**

Covers the cost of weekly parents education training and monthly support groups. Parents learn new skills to help their children become more successful at school, home and the community. These groups are also an opportunity to provide support and learn from each other.

### **\$1,500.00**

Covers the cost of bi-monthly individual counseling sessions, monthly family sessions, at least 2 home visits per year, unlimited crisis counseling for each family enrolled in our program as well as follow up care for all graduates for at least 2 years post graduation.

### **\$2,500**

Covers the cost of providing highly specialized therapeutic social skills and emotion regulation groups offered to each child three times per week. This is offered in addition to the regular education curriculum.

### **\$3,500**

Covers the cost of providing one child per year, with an individualized curriculum tailored to their unique strengths and needs, in classrooms no larger than 5 students.
